

## CURRICULUM VITAE

### Director of Photography: Ben Todd

**Agent** Vision@Wizzo  
Telephone: 020 7439 4657

### Background

Ben studied cinematography at the Bournemouth Film School, where in 1999 he won the 'Kodak Student Commercial Award' for best cinematography. After Graduating in 2001 Ben trained under Remi Adefarasin BSC and went on to work as a clapper loader on numerous feature films.

Since 2004 Ben has been working as a lighting cameraman, initially on documentaries; travelling all over the world from Cambodia and Thailand to Guatemala, Brazil and the Amazon. These documentary experiences (and the hundreds of still photographs made along the way) have helped to develop an individual approach to cinematography and skills that he now applies to commercials and promos.
